

# BECKY RUBY SWANSBURG

---

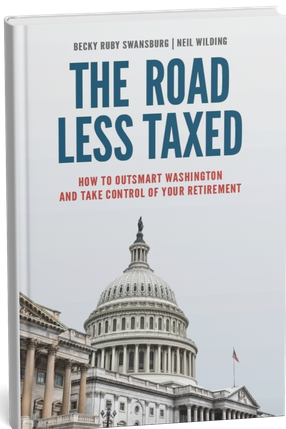

Becky Ruby Swansburg did not set out to become the nation's leading expert on Legislative Risk in retirement. With a background in policy, she spent her early career working in Congress and the White House, assisting government leaders with some of the most pressing issues facing our nation.

Becky's work on tax policy and America's savings habits turned her attention toward the urgent needs of today's retirees. Today, she shares her insights as a nationally-recognized public speaker and author. Her newest book, *The Road Less Taxed*, has been heralded as a must-read on taxes in retirement: insightful, impactful and most of all – enjoyable.

## THE ROAD LESS TAXED
