

Recruit Your Colleagues

Enhance the Designation/Credential

Your own designation or credential continues to increase in value and recognition by adding members of highly qualified consultants using and displaying the **RFA®**, **RFC®**, or **MRFC®**.

An Ongoing Opportunity

The IARFC is looking to enrich the careers of your professional peers with the same membership benefits you enjoy. By recruiting potential members, you offer them an opportunity to tap into the premier network of members who share best practices, strategies to help grow businesses, and techniques for better practice management.

Recruiting a Colleague is Easy!

Take a few minutes to expand our network of the RFAs, RFCs, and MRFCs. Enter the names, addresses, and emails of your colleagues in the fields below and return the form by fax, mail, or email to the IARFC. Details available at www.iarfc.org.
